Print Participant's Name

In exchange for the opportunity to participate in a program or activity sponsored by The Sands Point Preserve Conservancy, I hereby release The Sands Point Preserve Conservancy, Inc., Nassau County, and the Incorporated Village of Sands Point of any liability whatsoever and covenant not to bring any lawsuit in connection with any damages, injuries, or illness that I and my child may sustain as a result of our participation in any programs or activities at the Sands Point Preserve.

I knowingly, freely, and expressly assume all risks associated with the program or activity and expressly waive my rights to any and all actions, suits, demands, losses, liability, claims, or causes of action that can be alleged or brought under the laws, codes, and statutes of any and all state, federal, foreign, local, or territorial jurisdictions for such risks, damages, injuries, or illness.

I agree to comply with all laws, regulations, codes, rules, and other directives of any municipality or governmental authority, including but not limited to the United States, the State of New York, Nassau County, and the Incorporated Village of Sands Point, including New York State and CDC requirements for COVID-19 safety. I and my child agree to maintain social distancing of a minimum of 6 feet from others and to wear a face mask while participating in the program or activity.

Within the last fourteen days of each class in which my child participates:

- 1) No members of my household, including myself, have experienced symptoms of fever, extreme fatigue, difficulty breathing, dry cough, or any other symptoms associated with COVID-19, nor have we been diagnosed with COVID-19.
- 2) No members of my household, including myself, have traveled by sea or air, nationally or internationally, nor did we visit any area within the United States that is reported to be highly affected by COVID-19.
- 3) To the best of my knowledge, no teacher or students my child's class at school has been diagnosed with COVID-19.

I confirm that my child has been fever-free for a minimum of 24 hours prior to the start of each class.

I hereby acknowledge the following:

- 1) The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is reported to be extremely contagious.
- 2) The state of medical knowledge is evolving, but the virus is believed to spread from person-to-person contact and/or by contact with contaminated surfaces and objects, and in the air. People reportedly can be infected and show no symptoms and, therefore, spread the disease. There is no known treatment, cure, or vaccine for COVID-19.
- 3) Evidence has shown that COVID-19 can cause serious and potentially life threatening illness and even death.
- 4) The Sands Point Preserve Conservancy, Inc., Nassau County, and the Village of Sands Point cannot prevent me or my child from becoming exposed to, contracting, or spreading COVID-19 while visiting the preserve or participating in any programs and activities, nor can they prevent the presence of the disease. I may be exposing myself, my child, other family members, and/or other persons to COVID-19, increasing the risk of contracting and/or spreading COVID-19.

I have read and understood the statements and the warning concerning COVID-19 above and accept the risk of being exposed to, contracting, and spreading COVID-19 for myself, my child, other family members, and/or any other persons.
